*Sir,*

In reply to your letter No. G. 21243 dated the 13th March 1920 and subsequent reminders about the Jui Juitsu shed near the Special Reserve Police Lines, I have the honor to state that an estimate amounting to Rs. 1750/- for a pukka shed for the purpose with brick walls and corrugated iron roofing in lieu thereof is sanctioned in Government Order No. J. 1947-48/P 181-12-11 of the 7th January 1914.

The construction was not started as there was correspondence about the site. The shed in question was repaired at a cost of Rs. 386/10/- in the year 1917. It is again in need of repairs and is very leaky and an estimate amounting to Rs. 200/- has been received. This I have not yet sanctioned as the shed would again require repairs in a year or two.

2. I inspected the Reserve Police Lines minutely to see if any room suitable for the purpose of teaching Jui Juitsu was available but found none.

3. In these circumstances the only way out of the difficulty is the construction of the building already sanctioned. The building

will

will be constructed in the vacant site to the North of the Reserve Police Lines and will be so located that it will fit in when the Police School is newly to be built.

4. In these circumstances, I have the honor to request that the sanction of Government to the estimate, might be renewed and funds also appropriated this year.

I regret the delay in reply in this simple matter which is due to my attempt to find a way out of the difficulty without a demand for money for construction of a new building.

I have the honor to be,
SIR,
Your most obedient servant,

Inspector General of Police.

Sir,

With refee to the correspondence ending with your letter No C.3226 d/ 21st July 1920 regarding the Jui Jutsu shed in the Police ground, I am directed to enquire whether ~~there is any use at all in training our men in the said course. In case you consider it is desirable and that it may be continued~~ I am to request that a revised estimate for ~~erecting a pukka shed~~ SUBJECT ~~thereto~~ for the may be submitted for the consideration of Govt, since the present prices of materials and the cost of labour have appreciably increased

Training in Jui Jutsu is really of value to our men. If you consider its continuance desirable

~~at present, Govt consider~~,
and
~~that~~ the estimate for Rs 17501/-
~~sanctioned in 1914~~ may be found quite inadequate
~~insufficient~~ for the purpose.

In the meanwhile, the present shed, which is an eyesore, may be demolished at once.

Sir,

With reference to Chief Secretary's letter No. 9246/Pol dated 10th November 1920 enquiring whether the cost of the shed for Jui-Jutsu can be met by reappropriation, I have the honor to state that an amount of Rs 2000/- may be reappropriated for this purpose out of Rs 8000/- sanctioned in the Budget for repairs-Civil Buildings (Detailed account 24). Rs 1100 which will still be required for the building may be met in the Budget for 21-22.

As the building is urgently required, I request that you will be so good as to move Government to sanction the estimate at an early date.
